

**Q1. [IMAGE] A paragraph is a series of sentences that are organized and coherent, and are all related to a single topic. ... Paragraphs can contain many different kinds of information. A paragraph could contain a series of brief examples or a single long illustration of a general point.**

**Answer:**

Image 1/2

These are probably the best "handwritten" mailers on the market. I have been searching for over a year for a perfect solution and Scribeless is just that. We look forward to placing many more orders in the near future. This is our new best kept trade secret!

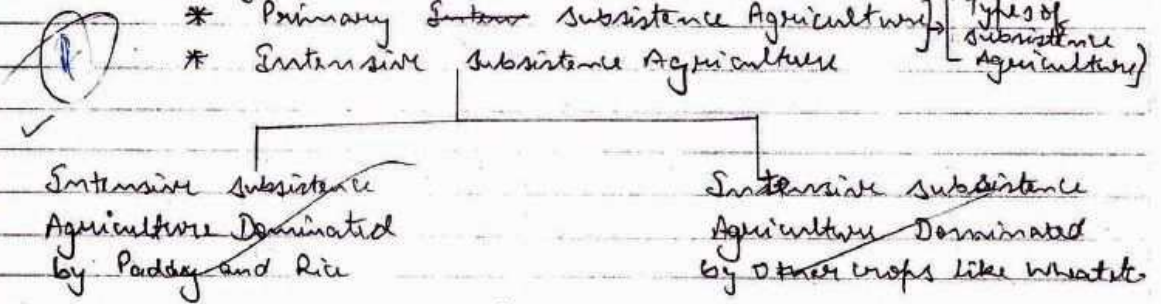

Jonathan L - Lotus Capital Partners

We have been using this app for about 2 months and we are so so pleased.

Originally we introduced it in order to have all of our gift messages automatically printed for us (so nice not having to hand write them!) and now not only are we using it for that purpose, it has also allowed us to roll out a new customer retention scheme. The hand writing is super realistic, and setting it all up was pretty simple too.

Beth Swan - Daisy London

Ans. 1. The Two types are -
